

**FORD. NO BOUNDARIES.** WHEN YOU LIVE WITH SPIRIT AND PASSION, THE POSSIBILITIES OF LIFE AND ACHIEVEMENT ARE LIMITLESS. THERE ARE *NO BOUNDARIES*. EVERY PRODUCT FORD MOTOR COMPANY DESIGNS AND BUILDS IS THE DIRECT RESULT OF 100 YEARS OF THAT SPIRIT AND PASSION. IT WAS PRESENT WHEN HENRY FORD FOUNDED THE COMPANY IN 1903 AND WHEN THE FIRST AUTOMOBILE ROLLED FROM HIS WORKSHOP. TODAY, IT IS MORE ALIVE THAN EVER. THERE ARE *NO BOUNDARIES* TO OUR ENDLESS DRIVE TO TURN A NO INTO A RESOUNDING YES. TO GO BEYOND WHAT WE THOUGHT WAS POSSIBLE. TO CREATE AN ARRAY OF VEHICLES THAT HELP PROVIDE A PLACE WHERE FAMILY AND FRIENDS CAN CONNECT WITH EACH OTHER AS WELL AS WITH THEIR COMMUNITY. AND THERE ARE *NO BOUNDARIES* TO OUR DEDICATION – STRIVING TO BRING YOU THE HIGHEST QUALITY, MOST EXCITING, BEST ENGINEERED, MOST RELIABLE PRODUCTS IN THE WORLD.

## Inner magnetism.

Drawn to its bold exterior styling, you'll be compelled to know more about Taurus SEL. That's right, slide inside. What happens next is pure magic. Comfort. Relaxation. Welcomed by the available premium leather seating surfaces of 6-way power front seats, you find yourself in a richly appointed cockpit that feels like it was designed just for you. Everything is within easy reach, like the electronic automatic temperature control and available MACH® Audio System with a 6-disc CD changer. It's fundamental planning with a richness meant to impress. A wood appearance adorns the door panels and console control panel, and the redesigned instrument cluster boasts an attractive satin-finish background. You can even add a touch of real wood to the steering wheel with the optional Wood Package. Look up, and you'll see sky through the optional power moonroof – just another Taurus SEL secret waiting to be enjoyed.

taurus SEL

## Pack up, pick up and go.

Time to load up. You want it? Take it along. That's right, not only is this one of the most uniquely designed wagons on the road today, it is also one of the roomiest. Lots of space, yes, but even with 8 passengers, this machine still rides like a touring car. Its confident V6 engine has plenty of low-end torque and, combined with the optional All-Speed Traction Control system, can navigate around the sloppiest road like a champ. So what can you do with all this room? Pretty much anything you want. Flip the 3rd-row bench seat up or down. A handy 60/40 split/fold 2nd-row seat makes room for long items, and a cargo cover in back keeps smaller ones under wraps. Taurus SE Wagon is always ready for the unexpected adventure.

- 1 Snow and ice buildups don't stand a chance with available **heated side mirrors**. In just seconds, they're history, and you're seeing everything beautifully again.
- 2 Unlock the doors, pop the hatch, even signal for help. With just the click of a button, the **remote keyless entry system** quickly becomes a favorite standard feature.
- 3 With standard **3rd-row seats**, Taurus Wagon accommodates people easily. The view is great, too.

taurus SE WAGON

## Taurus' inner beauty: safety.

- 1 The available Taurus 4-wheel anti-lock braking system (ABS) will do amazing things for your confidence level. By reducing wheel lockup when braking, it helps to maintain steering control even on the most slippery surfaces.
- 2 Available side airbags\* deploy almost instantaneously to help protect you and your front passenger in the event of a side-impact collision.
- 3 You and your child can rest assured. The **LATCH** child safety seat restraint system makes attaching your child's safety seat properly a snap.
- 4 This glow-in-the-dark trunk release handle allows for an emergency exit with just a simple pull.

### PERSONAL SAFETY SYSTEM™:

#### SIX TECHNOLOGIES DESIGNED FOR YOUR COMPREHENSIVE PROTECTION

In a front crash, dual-stage airbags are properly deployed with the help of a crash severity sensor. Depending on the severity of the impact, it's determined how much energy is needed to deploy the airbags. Safety belt pretensioners act to tighten the belts to ensure that the passenger is held securely in their seated position. The driver's-seat position sensor relays data to the airbag's computer as to how far away the driver is seated from the steering wheel. The safety belt usage sensors determine if the driver and front passenger are belted. This information helps select the inflation rate and timing of the airbags. If a severe accident occurs, safety belt energy management retractors limit the belt forces to a predetermined maximum and then "hand off" to the deploying airbag. In an accident, this electronic coordination is carried out in a split second. Actually quicker. All in all, the Personal Safety System is one of the most sophisticated vehicle safety systems available to you today.

- 1 Available 4-wheel ABS brakes help maintain steering control in hard braking situations to help avoid a possible accident.
- 2 Taurus' built-in **LATCH** child safety seat system makes attaching a child's safety seat a snap, and you less frustrated and more assured about doing it.
- 3 Ready to deploy in a moment's notice, available side-impact airbags help protect you and your front passenger in certain side-impact collisions.
- 4 Once locked, the available perimeter anti-theft system monitors the doors, hood and decklid against anyone but you entering them.
- 5 Taurus' dual-stage front airbags\* make sure just the right amount of airbag pressure is used in the event of a frontal crash.
- 6 Its "safety cell" unitized body construction helps Taurus absorb collision impact by transferring collision forces throughout the passenger compartment.
- 7 The SecuriLock™ passive anti-theft system immobilizes the engine until your specially coded ignition key gives the signal.
- 8 Available All-Speed Traction Control helps maintain traction and steering control on a variety of slippery surfaces by using anti-lock braking system components to monitor wheel slippage.

\*Always wear your safety belt and secure children in the rear seat.

The diagram illustrates the front and side views of a blue car with dimension lines labeled A through E. The front view (top) shows the car's width (A) and height (B). The side view (bottom) shows the car's height (C), wheelbase (D), and overall length (E).

### Safety/Security

Personal Safety System™ for driver and right-front passenger – With dual-stage airbags, safety belt pretensioners, safety belt energy management retractors, safety belt usage sensors, driver's-seat position sensor, crash severity sensor and restraint control module
Autolock – Doors lock automatically when driving
Belt Minder™ safety belt reminder
Brake/shift interlock
Bumpers – 5-mph energy-absorbing
Emergency glow-in-the-dark trunk release
Fuel pump inertia shutoff switch
Headlamps-on alert chime
Key in ignition alert chime
Power window lockout feature
LATCH – Lower anchors and top tethers for child safety seats in outboard seating positions
"Safety cell" unitized body construction
Securilock™ – Passive anti-theft system
Side intrusion door beams
<b>Mechanical</b>
3.0L V6 engine
4-speed electronic automatic transaxle with overdrive lockout
4-wheel power disc brakes (wagon)
4-wheel power front disc/rear drum brakes (sedan)
100,000-mile tune-up interval**
Battery saver
Front-wheel drive
Fuel tank – 18 gallon capacity
Hood assist struts
P215/60R16 94T all-season tires
Power rack-and-pinion steering
Spare – Compact
Stabilizer bars – Front and rear
Stainless steel exhaust system
Suspension – Front: independent MacPherson strut (sedan and wagon); rear: independent Quadralink (sedan) or Short- and Long-Arm (wagon)

Accessory delay for power features

Air conditioning

AM/FM stereo with digital clock and 4 speakers

Assist handles – Rear

Cargo area cover (wagon models only)

Cupholders

Decklid/hatch release

Floor mats – Front and rear

Light group – Dual-beam dome/map lights

Low fuel warning light

Particulate air filter

Power door locks with rear-door child safety locks

Power windows – With one-touch-down driver's-side feature

Power points – 2

Rear floor air ducts

Shoulder belt height adjusters – Front outboard positions

Tilt steering column

Underfloor storage (wagon models only)

Visor vanity mirrors

**Exterior**

Bodyside moldings

Headlamps – Multi-reflector halogen

Luggage rack (wagon models only)

Power mirrors

Rear defroster

Rear wiper and washer (wagon models only)

Solar tinted glass

Windshield wipers – Front variable-interval
