Let the sunshine in.

It's nice to have the sun shining down on you. It's even nicer when you can make it happen simply by operating the power tilt-and-slide sunroof.

(Standard on IX and EX)

Your tunes.

We've equipped the Forenza with a powerful CD/cassette player with 8 speakers. That's music to your ears.

Keep your hands on the wheel.

To keep you focused on the drive at hand, the Forenza comes standard with a tilt steering wheel with integrated audio controls.

A secure feeling.

The Forenza is equipped with standard front-side airbags, plus an advanced front-passenger-seat airbag that has a weight-sensing feature. It deactivates automatically if the front passenger weighs less than 65 lb.

Power at the tip of your finger.

The Forenza comes with a long list of amenities as standard equipment, including power windows, mirrors and door locks.
